# Save Medicare! Restore bulk billing!

To the Honourable Speaker and Members of the Senate assembled in Parliament:

The petition of the undersigned citizens of Australia draws to the attention of the Senate:

The need to retain and extend the universal public health insurance system Medicare by:

- restoring bulk billing for all
- increasing financial support to the public hospital system
- switching to the public Medicare system the $3.6 billion currently used to prop up the private health insurance industry

We therefore pray that the Senate opposes the introduction of cuts to Medicare services, limitations on its coverage and the introduction of up-front fees for GP visits.
